

CARTER COUNTY DISTRICT
EAST CARTER HIGH SCHOOL

POLICY NO. 12.00

SCHOOL SPACE

By June 1, the principal shall prepare a school use plan and present the plan to the school council for approval. The school council may amend the plan prior to approval. The principal shall implement the plan subsequent to the approval of the school council. If the school council has not approved a plan prior to August 1, the principal shall develop and implement a school space use plan that is consistent with the applicable indicators from the Standards and Indicators for School Improvement.

School space shall include all buildings and grounds occupied by the school and used during the school day. Determination of the most appropriate space for instruction and student achievement shall be based on the number of students, available equipment and the need for supervision.
