End of Course Assessment

Beginning with the 2011-12 school year, the Kentucky Board of Education, in compliance with Senate Bill 1 (SB 1), has enacted an end-of-course (EOC) assessment program at the high school level. ACT, Inc. has been awarded the contract to provide EOC assessments. Assessments for English II, Algebra II, Biology and US History will be part of the ACT QualityCore program. The program is syllabus-driven and will include curriculum and instruction support materials. QualityCore has been developed based on research in high-performing classrooms that focus on the essential standards for college and career readiness. A student failing the course, but passes the EOC assessment with a C average or better, will receive a passing grade of 60% for that course.

As approved by the Carter County Board of Education, end of course assessments will be calculated as 10% of a student's final grade.

Weighted Course Credit

The following scale to calculate GPA will be used for weighted credit on advanced courses:

- A = 5 Quality Points
- B = 4 Quality Points
- C = 3 Quality Points
- D = 2 Quality Points
